

Lecturer : Assoc Prof Dr Mohamad Hassan Zakaria

Room No. : D06-3E

Tel. No. : 553-1894 (H/P: 019-754-1464)

Email : mhzee@yahoo.com

Synopsis :

This course will explore some general principles, procedures and issues related to syllabus and materials design within the context of English as a second or foreign language. It will highlight crucial key concepts and common practices that will allow students to critically examine and evaluate any given syllabus and materials. Topics will include approaches to syllabus design, planning procedures, materials development and evaluation.
