

**Lecturer** : Assoc. Prof. Dr. Hadina Habil  
**Room No.** : D05 - 416  
**Telephone No.** : 07-5531818  
**E-mail** : hadina@fppsm.utm.my

**Synopsis** : This course introduces students to the nature of spoken and written texts, to develop sensitivity to the ways speakers and writers adjust their communication according to the situation and goals, and to use the right tools to analyse sets of discourse. The course also aims to heighten students' awareness of how language and texts vary as they serve the communicative goals of human beings in their social contexts.
