UNIVERSITI TEKNOLOGI MALAYSIA

Welcome to FEST Innovation Day 2.0. It is our distinct pleasure to welcome all undergraduate and postgraduate participants to this celebration of ingenuity under the theme 'Empowering Education Through Innovation.'

This event serves as a platform to exchange transformative ideas and foster collaboration in addressing the evolving challenges of modern education. With steadfast support from UTM and the presence of distinguished participants, we aspire for FEST Innovation Day to mark the genesis of bold new initiatives that may reshape the global educational landscape.

Let us explore new possibilities together—towards a more inclusive and elevated future of learning. Thank you to all involved, and may this occasion inspire meaningful innovation.

OPENING REMARKS BY THE PROGRAMME CHAIRPERSON

Assalamualaikum warahmatullahi wabarakatuh,

It is my honour to warmly welcome you to FEST Innovation Day 2.0, 2025, proudly organised by the Faculty of Educational Sciences and Technology (FEST), Universiti Teknologi Malaysia (UTM).

This event was inspired by the passion of educators committed to advancing teaching and learning. With the theme “Empowering Education through Innovation” we aim to foster meaningful dialogue, share impactful research, and explore new frontiers in education.

My sincere thanks to the organising committee, keynote speaker, Advisory Board, sponsors, and jury members for their invaluable contributions.

I wish all participants an enriching and inspiring experience.

Thank you.

Associate Professor Dr. Corrienna Abdul Talib

Opening Remarks by the Programme Director

It is my great pleasure to welcome you to the inaugural FEST Innovation Day 2.0, organised by the Faculty of Educational Sciences and Technology (FEST), Universiti Teknologi Malaysia.

With the theme “Empowering Education Through Innovation,” this event celebrates the power of creativity, dialogue, and collaboration in shaping the future of education and technology.

Today’s programme features keynote addresses, panel discussions, and project showcases aimed at inspiring learning, sparking innovation, and strengthening links between academia and industry.

My sincere thanks to the organising team, sponsors, and all participants. May this event ignite new ideas and meaningful partnerships for the future of education.

Thank you.

Wang Lili
Programme Director

INTRODUCTION TO THE PROGRAMME

FEST Innovation Day 2.0, organised by the Faculty of Educational Sciences and Technology, UTM, aims to cultivate a spirit of innovation among undergraduate and postgraduate students.

With a focus on creativity, critical thinking, and collaboration, the event provides a platform to explore new ideas, enhance soft skills, and address contemporary challenges through innovative solutions.

Bringing together diverse participants, it promotes both technological advancement and meaningful social impact—shaping a future-ready, competitive, and innovative community.

PROGRAMME OBJECTIVES

This programme is organised with the following objectives:

- To provide students with opportunities to sharpen their creativity and apply innovative thinking in problem-solving through various activities and projects related to their fields of study.
- To develop essential soft skills such as leadership, communication, and collaboration through teamwork and engagement between postgraduate and undergraduate students.

PARTICIPANTS LIST

A GRATEFUL ODE

With humbled hearts and thankful grace,
We honour all who gave their place—
Their time, their strength, their silent might,
To bring this vision into light.
Each hand that worked, each voice that cheered,
Each hope that whispered, each doubt that cleared,

Together wove a tapestry
Of shared resolve and unity.
Your service stands not just as deed,
But as a spark, a noble seed—
To guide, inspire, and gently show
The path where future minds may grow.

May blessings crown your every way,
And all your kindness ever stay—
A lasting light, a radiant flame,
For generations yet to name.
